Registration on this new site gives you these extra options:

- 1) The ability to change the page background colours to suit your mood.
- 2) The ability to leave comments in the news section
- 3) The ability to upload your own photos directly into the Gallery
- 4) The ability to add your own comments to any photo in the gallery
- 5) The ability to send any photo from our gallery as an "E-Card" to a friend.
- 6) Registered Members can submit questions directly into our FAQ pages.
- 7) A "User Menu" appears in the left hand column and allows you to check and update your details.

All the above extra options only become visible to you once you are logged in.

- d) With the "Join Us" button at the bottom of all pages.

- e) From the "Join the site" option in the left hand column's "Quick Picks" slider.

- f) With the "Register" link in the main Gallery page

- g) Direct from this URL: <http://www.fforestfields.co.uk/forms/register-with-us>
