

What are the journey times from England?

Last revised Tuesday, 21 October 2008

Towing a caravan from Birmingham and the West Midlands only takes a couple of hours, about two and a half from Bristol and just over three from Manchester. The roads around here are good and normally traffic free. For location details, suggested routes, and links for the latest Welsh traffic news, please check our location page, news page, traffic and weather alert pages. The site is well signed and has a wide entrance off the A481 about half a mile from the village of Hundred House.
